In the name of Allah, the Most Merciful, the Most Compassionate

THE LAST WILL AND TESTAMENT

(al-Wasiyya — drawn in accordance with the Islamic law of inheritance)

I, Test Testator, of _____, being of sound mind and memory, and bearing witness that there is no god but Allah and that Muhammad is His servant and Messenger, do hereby declare this to be my Last Will and Testament, executed on 2026-10-18.

I direct that my estate be distributed in accordance with the Holy Quran (Surah an-Nisa, 4:11-12 and 4:176) and the Sunnah of the Prophet Muhammad (peace be upon him), following the positions of the Hanafi school of law as itemized in Article IV below. "Allah instructs you concerning your children: for the male, what is equal to the share of two females... after any bequest he may have made or debt." (Quran 4:11)

ARTICLE I — FUNERAL EXPENSES AND DEBTS

First charges upon the estate, by consensus of the four schools.

I direct my executor to pay, before any distribution to heirs: first, my reasonable funeral and burial expenses (estimated at $6,000.00); and second, all my lawful debts, including any unpaid zakat (estimated at $14,000.00). My gross estate is estimated at $240,000.00, leaving $220,000.00 after these obligations.

ARTICLE II — THE BEQUEST (AL-WASIYYA)

Limited by the Sunnah to one third of the estate after debts (Sahih al-Bukhari 2742; Sahih Muslim 1628).

I make no bequest beyond the shares ordained by Allah; my entire estate after Article I passes to my heirs as set out in Article III.

ARTICLE III — DISTRIBUTION OF THE RESIDUARY ESTATE (AL-MIRATH)

The net estate of $220,000.00 is divided as follows, each share being the exact fraction prescribed:

HEIR	SHARE	PORTION	AMOUNT	LEGAL BASIS
Wife	**1/8**	12.5%	$27,500.00	Quran 4:12
Mother	**1/6**	16.6667%	$36,666.67	Quran 4:11
Father	**1/6**	16.6667%	$36,666.67	Quran 4:11
Sons (×1) and daughters (×2)	**13/24**	54.1667%	$119,166.67	Quran 4:11
each son 13/48 ($59,583.33); each daughter 13/96 ($29,791.67) - the male receiving the share of two females (Quran 4:11)				
TOTAL	**1**	**100%**	**$220,000.00**	

ARTICLE IV — JURISTIC POSITIONS APPLIED

Where the schools of law diverge, this will follows the positions below.

School baseline: the Hanafi school.

- Grandfather with siblings: the grandfather excludes all siblings (Hanafi - Abu Bakr's position).

- *Al-Mushtaraka: full brothers receive nothing in that case (Hanafi).*
- Surplus return (radd): the spouse does not receive radd (classical Hanafi).
- No-heir surplus: passes to distant uterine kin, dhawu'l-arham (Hanafi/Hanbali).

ARTICLE V — EXECUTOR

I appoint _____ as executor of this will, to pay my funeral expenses, debts and bequest in the order of Articles I-II, to distribute the residue exactly as Article III provides, and to seek the guidance of a qualified scholar should any question arise that this document does not resolve.

SCHEDULE A — CALCULATION RECORD

The complete audit trail of the computation, for review by scholars and executors.

01. School rules applied. Madhhab baseline: HANAFI. Grandfather+siblings: grandfather excludes siblings (Hanafi/Abu Bakr). Al-Mushtaraka: full brothers excluded (Hanafi). Spouse in radd: no (classical Hanafi). No-heir surplus: distant uterine kin (Hanafi/Hanbali).

02. Estate pipeline. Gross estate 240000 - funeral 6000 - debts 14000 = 220000. Bequest applied 0 (cap one third = 73333.33). Net estate for heirs (mirath) = 220000. Order per Quran 4:11-12: debts and bequests precede inheritance.

03. Base of the case (asl al-mas'ala): 24. All shares are expressed over a common denominator of 24. Wife: 1/8 = 3/24; Mother: 1/6 = 4/24; Father: 1/6 = 4/24; Sons (×1) and daughters (×2): 13/24 = 13/24.

Family constellation on which this will is based: wife, father, mother, son, 2 daughters.
